Results:

- Comparison of Guaranteed Rates for Multiple LTL Carriers
- Bills of Lading and Labels Print Instantly
- Multiple Reports Provide Information at Your Fingertips
- Provide E-mail Confirmation to Your customers
- Pre-Audited and Consolidated Invoice Received Weekly
- Instantaneous Quotes for Quick Decisions and Quick Response to Customers
- More Information, Choice and Convenience

Demonstration: 704-500-4195

How it Works:

- Log on to secure website
- Enter LTL data
- Compare rates
- Choose your carrier
- Bill of Lading appears
- Print documents
- Export data to your system
- Bill your customer
- Write one weekly check for all freight shipments
- Track shipments as needed
- Save time and money
- This system allows use by all authorized personnel in your company who have Internet access.
- Your satisfaction is 100% guaranteed!
- No more calls to carriers for quotes or tons of handwritten paperwork!

When you connect with Holland Transportation Management Services, Inc., you will be linked to this new and exciting service!

Take advantage of the benefits of rate shopping without spending the exorbitant amounts of time it takes to call multiple carriers or surf the web.

Our LTL Rater will streamline your LTL shipping process.

Holland TMS...Let us steer you in the right direction.
